WHY WHAT HOW

SIMON SINEK STATED THAT GREAT LEADERS START WITH WHY, RATHER THAN WHAT. WHY AM I HERE? I WANT TO EMPOWER PEOPLE WITH GREAT TECHNOLOGIES IN ORDER FOR THEM TO ACHIEVE THEIR GOALS AND DESIRES. HOW DO I ACCOMPLISH THIS? BY WORKING TO THE BEST OF MY ABILITY, CONSTANTLY LEARN NEW TECHNOLOGIES, AND BETTERING MYSELF ON A DAILY BASIS. SO WHAT DO I DO? I'M A DEVELOPER. I ATTEND INDIANA UNIVERSITY PURSUING A BACHELORS DEGREE IN COMPUTER SCIENCE, A CERTIFICATE IN INFORMATICS, AND A MINOR IN BUSINESS. I DON'T PLAN ON STOPPING THERE, HOWEVER. AFTER GRADUATING, I WILL BE WORKING TO EARN MY MASTERS IN INFORMATION SYSTEMS, AND LATER DOWN THE ROAD MY MASTERS IN BUSINESS ADMINISTRATION. I WANT TO CONTINUE TO WORK MY WAY UP, AS I DO NOT BELIEVE IN COMPLACENCY, WHILE GIVING BACK TO THOSE AROUND ME.
